

About the Journal

Journal of Karnali Academy of Health Sciences (JKAHS) is the official journal of Karnali Academy of Health Sciences (KAHS). It is an open accessed, double blind peer-reviewed and online journal with quarterly print on demand compilation of the issue published. The journal does not charge for submission, processing and publication of manuscripts even for color reproduction of photographs. The journal's full text is available online at <https://jkahs.org.np>. JKAHS has been indexed to the online database of Nepal Journal Online (JOL), Google Scholar (Google), Nepal Medline (NepMed), and CrossRef. The Individual articles will provide separate DOI number as a unique identifier on the title page of each article. DOIs are useful for identifying and citing articles published online without volume or issue information (for more information; see www.doi.org).

The journal publishes the research articles related to health sciences, especially the research related to basic sciences (Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology), clinical sciences (Internal Medicine, Surgery, Gynaecology/obstetrics, Pediatrics, Anesthesiology, Orthopedics, Psychiatrics, ENT, Ophthalmology, Dentistry, Forensic Medicine), Public health and Nursing sciences.

On behalf of Editorial board of JKAHS, I would like to invite you all to publish your original research article, review article, case report, and short communications related to health and its allied sciences for up-coming issues. Authors are encouraged to submit their research papers/articles in our esteemed journal. You are requested to submit your manuscript via online submission system of our journal website or you can directly mail your research article to the following email addresses.
